May 9, 2016

Dear Parents,

Greetings from Sreenidhi International School!

It is heart-warming to note that the year 2015-16 has been quite satisfying and rewarding. With IB MYP authorization in place, we are now K-12 IB School, authorized to run all the three programmes (PYP/MYP/DP). During the recently concluded IB Asia Pacific Annual Regional Conference in Hyderabad, our children showcased a short programme depicting the history and culture of Hyderabad, which drew tremendous appreciation from 2000+ delegates who were present, coming from various parts of the world. We heartily thank the parents for their unconditional support extended in this regard.

We take this opportunity to reassure the parents that Management will initiate steps to continuously raise the benchmarks in providing the best possible environment for the School Community in their learning process. We are pleased to inform you that we are in the process of getting the Council of International Schools (CIS) membership and work towards CIS accreditation in the next two years. The accreditation process is expected to be strenuous as well as challenging and the school community will gear up to fulfill the standards set by CIS. We look forward to your support in this process.

TRANSPORT ARRANGEMENTS: Management has reviewed the transport arrangements based on the feedback from the parents and the guidelines given by the traffic department of Local Govt. In order to improve the effectiveness of the transport services and to reduce the travelling time, School will be implementing a few changes in pick up and drop arrangements.

Starting from 4 July 2016, door-door pick up and drop will be applicable to children of Nursery to Grade 5 only. In case of Students of Grade 6 and above, buses will pick and drop at the designated points near to their homes. Details of designated pick-up and drop points will be provided to parents by the School Transport Department. Parents are requested to take charge of the students to and from the points of pick up and drop. Parents who wish to arrange their own transport for their wards, may kindly inform the School Office.

Regards,

Ssarithha Katikaneni
Executive Director & Principal
